Winter sports fun

With an absolute guarantee of snow and sunny slopes, the ski resort at the Reschen Pass is among the **top ski areas in South Tyrol**. **State-of-the-art ski lifts** transport skiers and snowboarders to the pistes, a total of **65km of perfectly groomed slopes of all difficulty levels**. Numerous stylish restaurants and **quaint ski huts** take care of the hunger pangs, while the **Snow Park** and the **Funslope** provide fun for the whole family. The Höllental descent is a real insider's tip: it offers **panoramic views of Lake Reschen and the historic sunken church steeple**.

There is lots planned for the coming season: Ski tourers will be delighted to hear the **freeride piste on the Haideralm** will be open once again. The impressive **snow sculptures** carved by artists will be on show from the beginning of 2020. Shred Poker and a brand-new Girls Shred Session will be among the **top events in the Snow Park**.

Events in season 2019/20

This coming winter, the Schöneben-Haideralm ski resort also has a varied programme of **sports and music events** planned, ranging from:

- **Ski tourer evenings** on the Haideralm (every Tuesday)
